## Activity Sheet INTRODUCTION

This activity sheet accompanies a matching video tutorial, use them individually or together to best suit you.

**UNLOCKING  
THE SEVERN**

Welcome to a series of fun and creative videos that we, Unlocking the Severn, are calling Unlocking Fish Fun! There are 7 films in total, including an introduction film and 6 different fish-themed activities for you to try.

These videos will guide you through making props, puppets, costumes, animations and more... all using things that are mostly found at home!

Each video has an accompanying activity sheet like this one to help guide you.

We hope these activities inspire you to be creative and experiment! Each video will show you one way of making something, with tips and tricks along the way, but take what you enjoy and try your own techniques of decoration and fun.

These films were created with animator Tom and his two daughters, Clem and Polly. We hope you have as much fun doing these activities as they had making them!

Making things is a really good way to learn about the world around us, and you can learn even more about the work of Unlocking the Severn by visiting our website at [www.unlockingthesevern.co.uk](http://www.unlockingthesevern.co.uk)

**A small fish  
inspiring big  
plans!**

Unlocking the Severn is a once-in-a-lifetime conservation & river-engagement project. Restoring connectivity on the River Severn will bring major benefits to its wildlife.

We hope that you enjoy the Unlocking Fish Fun activities. If you make something, we would love to see it.
